Commissioner for Patents

P.O. Box 1450

Alexandria, Virginia 22313-1450

Dear Sir:

This is a self-executing Information Disclosure Statement submitted under 37 C.F.R. §§ 1.56, 1.97 and 1.98 regarding the above-referenced United States Patent Application.

I Introduction

Enclosed herewith please find copies of United States patents and documents known to Applicant or Applicant's attorney and having arguable relevance or materiality respecting the patentability of the invention disclosed and claimed in the instant Patent Application.

II Remarks

This collection of patents and documents is accompanied by a completed Form PTO-1449 identifying each of those patents and documents and presenting the requested information.

The documents are dated from November 21, 2000, to January 17, 2001. According to J. Blake Scott, the named inventor, the documents relate to services first offered to BP Amoco not earlier than October 2000. The services comprised the landscaping of mud and cuttings on a lease road for a new location. The services referenced in the document included the process disclosed in the Application. The Application, which has a filing date of January 4, 2002, claims the benefit of United States Patent Application No. 60/310,372 filed August 6, 2001.

All of the prior art submitted herewith is in the English language. Accordingly, Applicant, through his undersigned attorney, respectfully submits that no "concise explanation" regarding the relevance of any of these documents is required pursuant to 37 C.F.R. § 1.98(a)(3).

Applicant filed a Request for Continued Examination on July 26, 2004. Since July 26, 2004, Applicant has not received any United States Patent and Trademark Office Examiner's Action on the merits. Accordingly, no fee is required in connection with the submission of this Information Disclosure Statement under 37 C.F.R. § 1.97(b). In the event that Applicant is in error, Applicant submits an Authorization to Charge Deposit Account 04-1406.
